A BILL FOR

An Act to provide for an engineering survey preparatory to
the establishment of a state owned lake in Polk county
and to make appropriation therefor.

Be It Enacted by the General Assembly of the State of Iowa:

1 Section 1. The state conservation commission is hereby
2 authorized and directed to conduct an engineering survey for
3 the establishment of a state owned lake. Said lake shall be
4 such as will adequately provide the people of Polk county
5 with recreational fishing and hunting facilities.

1 Sec. 2. There is hereby appropriated out of any funds
2 in the general funds of the state of Iowa, not otherwise
3 appropriated, the sum of thirty thousand dollars (\$30,000),
4 or so much thereof as may be necessary for payment of
5 expenses of conducting the engineering survey as herein
6 directed.

EXPLANTION OF H. F. 393

This bill provides for an engineering survey preparatory to the establishment of a state owned lake in Polk county and makes appropriation therefor which was contemplated in the "Twenty-Five Year Plan" sponsored by the legislature several years ago. People of this area have generously cooperated with their neighbors in other parts of the state who have been granted such facilities near their homes. We would like our neighbors to cooperate with Polk county and grant us this privilege.
